PRINCIPAL'S MESSAGE

Soon, you the members of the Class of 1972 will relinquish your status as Seniors at Pittsfield High School. This is the time to rejoice because of your many accomplishments and the time to reminisce of the enjoyable hours spent in school activities and the many friends you have made here. Now the time has come to further pursue the goals you have set for yourself. Whatever your goal, always face life with a positive attitude and you will find success. I hope that the education you have received at Pittsfield High School will prepare you to meet the future challenges in life. I have enjoyed working with you and wish each of you much happiness and success in the future.

ASSISTANT PRINCIPAL'S MESSAGE

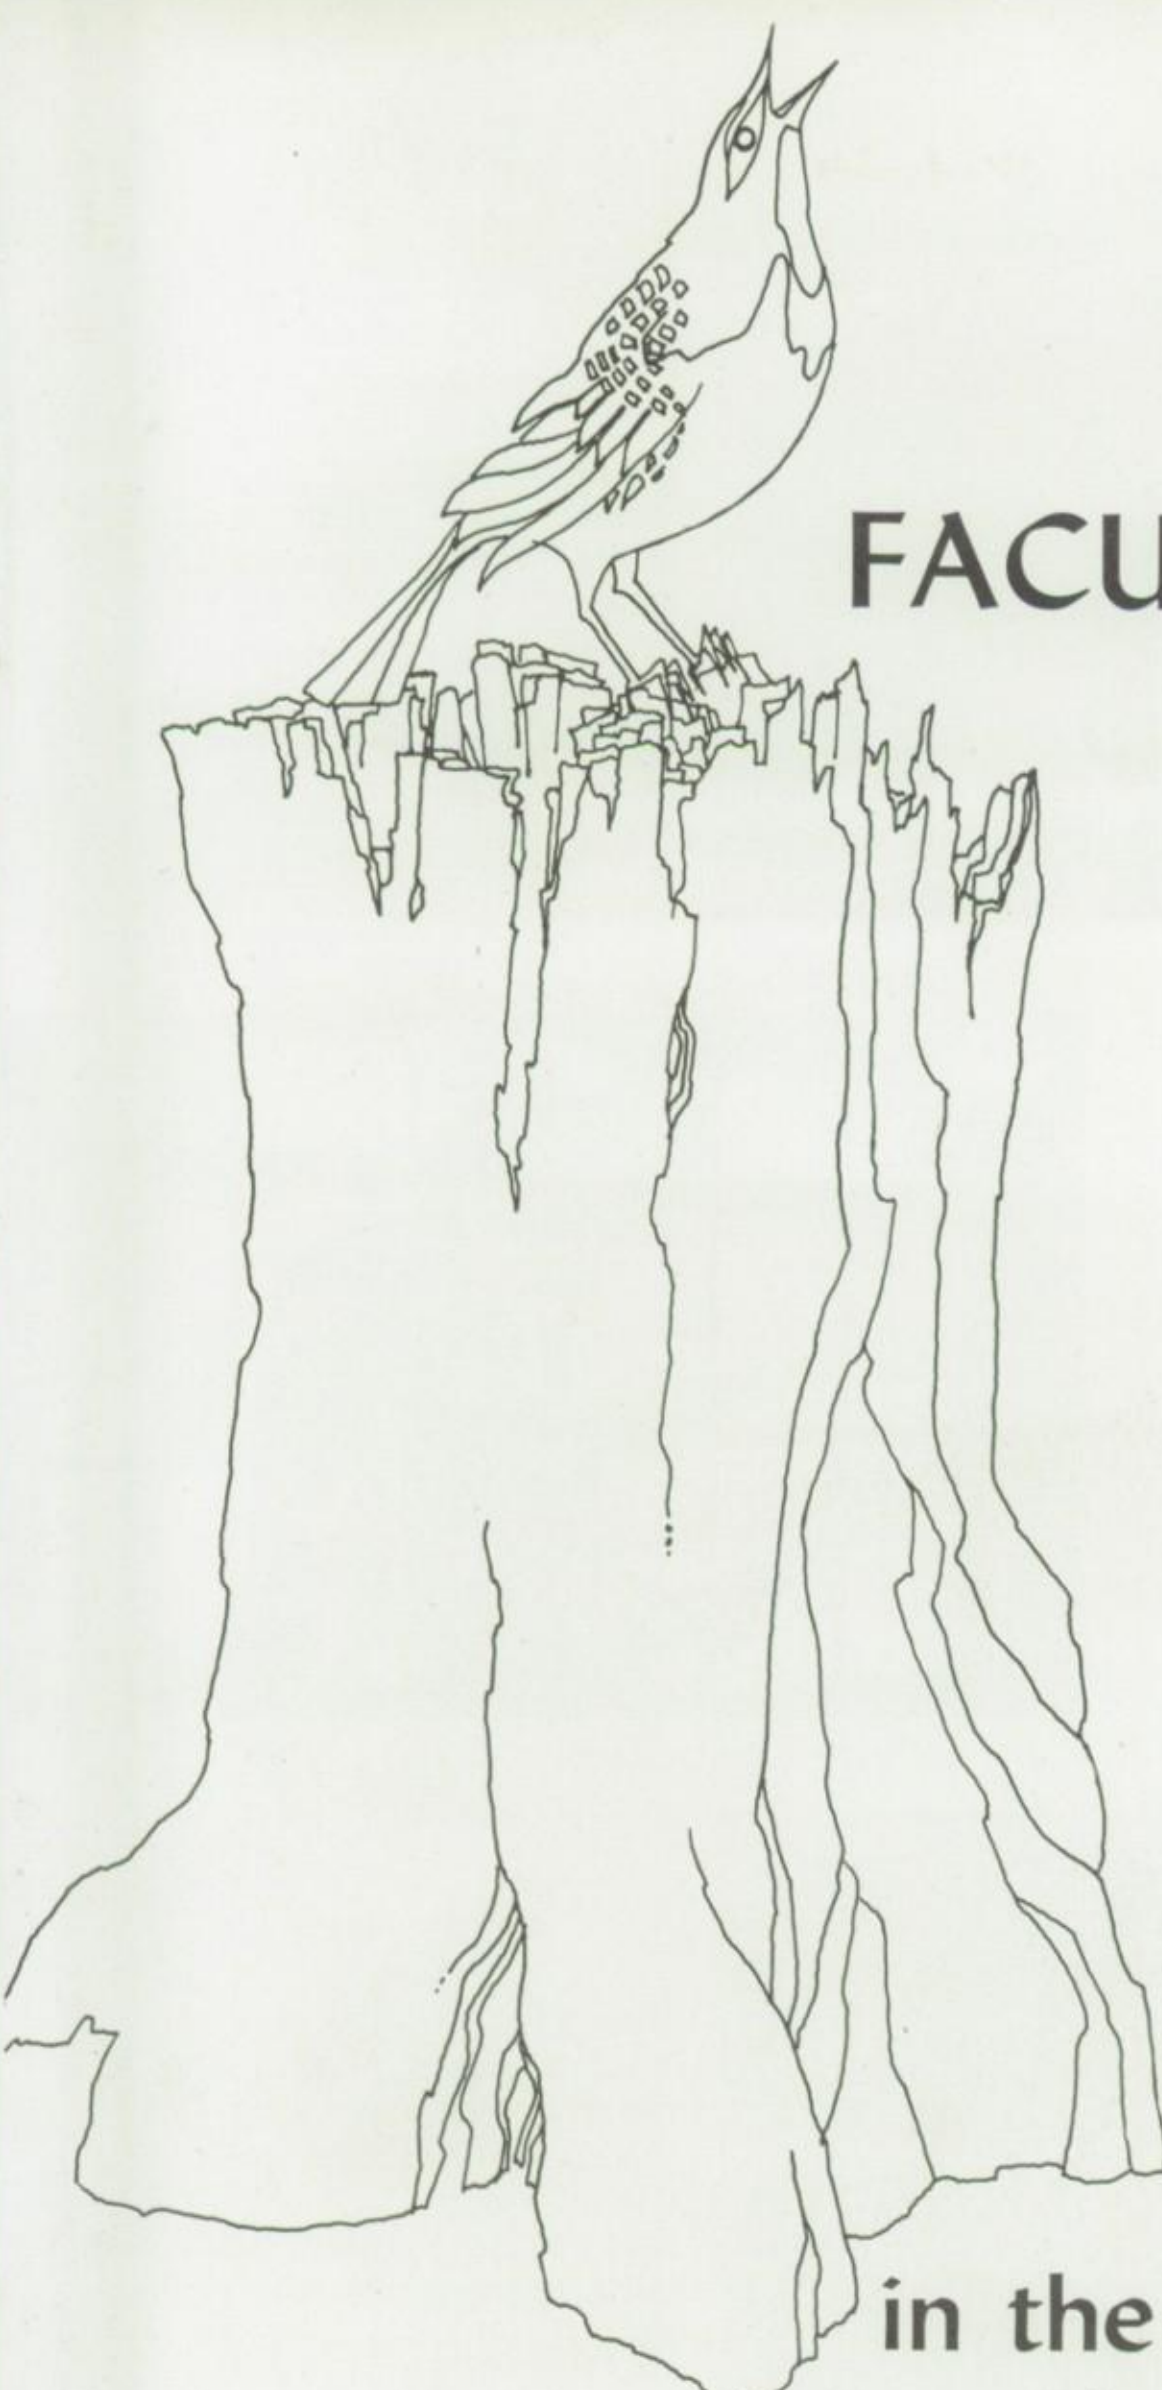

I have known many of you since you entered the seventh grade. Some of you have achieved success in the classroom, some on the athletic field, while others have made valuable contributions to your school and class without much public recognition.

I hope as you leave Pittsfield High School you feel we have succeeded in instilling positive attitudes, and knowledge that will enable you always to be contributors to society.

May you have a rich and rewarding future.

A line drawing of a lark perched on a jagged rock formation. The lark is facing right, with its head tilted upwards and its beak open as if singing. Its body is covered in small, dark, oval-shaped spots. The rock formation it sits on is tall and craggy, with several sharp, vertical edges. The background is plain white.

Guidance

Education affords each and every one of us an opportunity to develop new values, change old values, and give our lives purpose and direction.

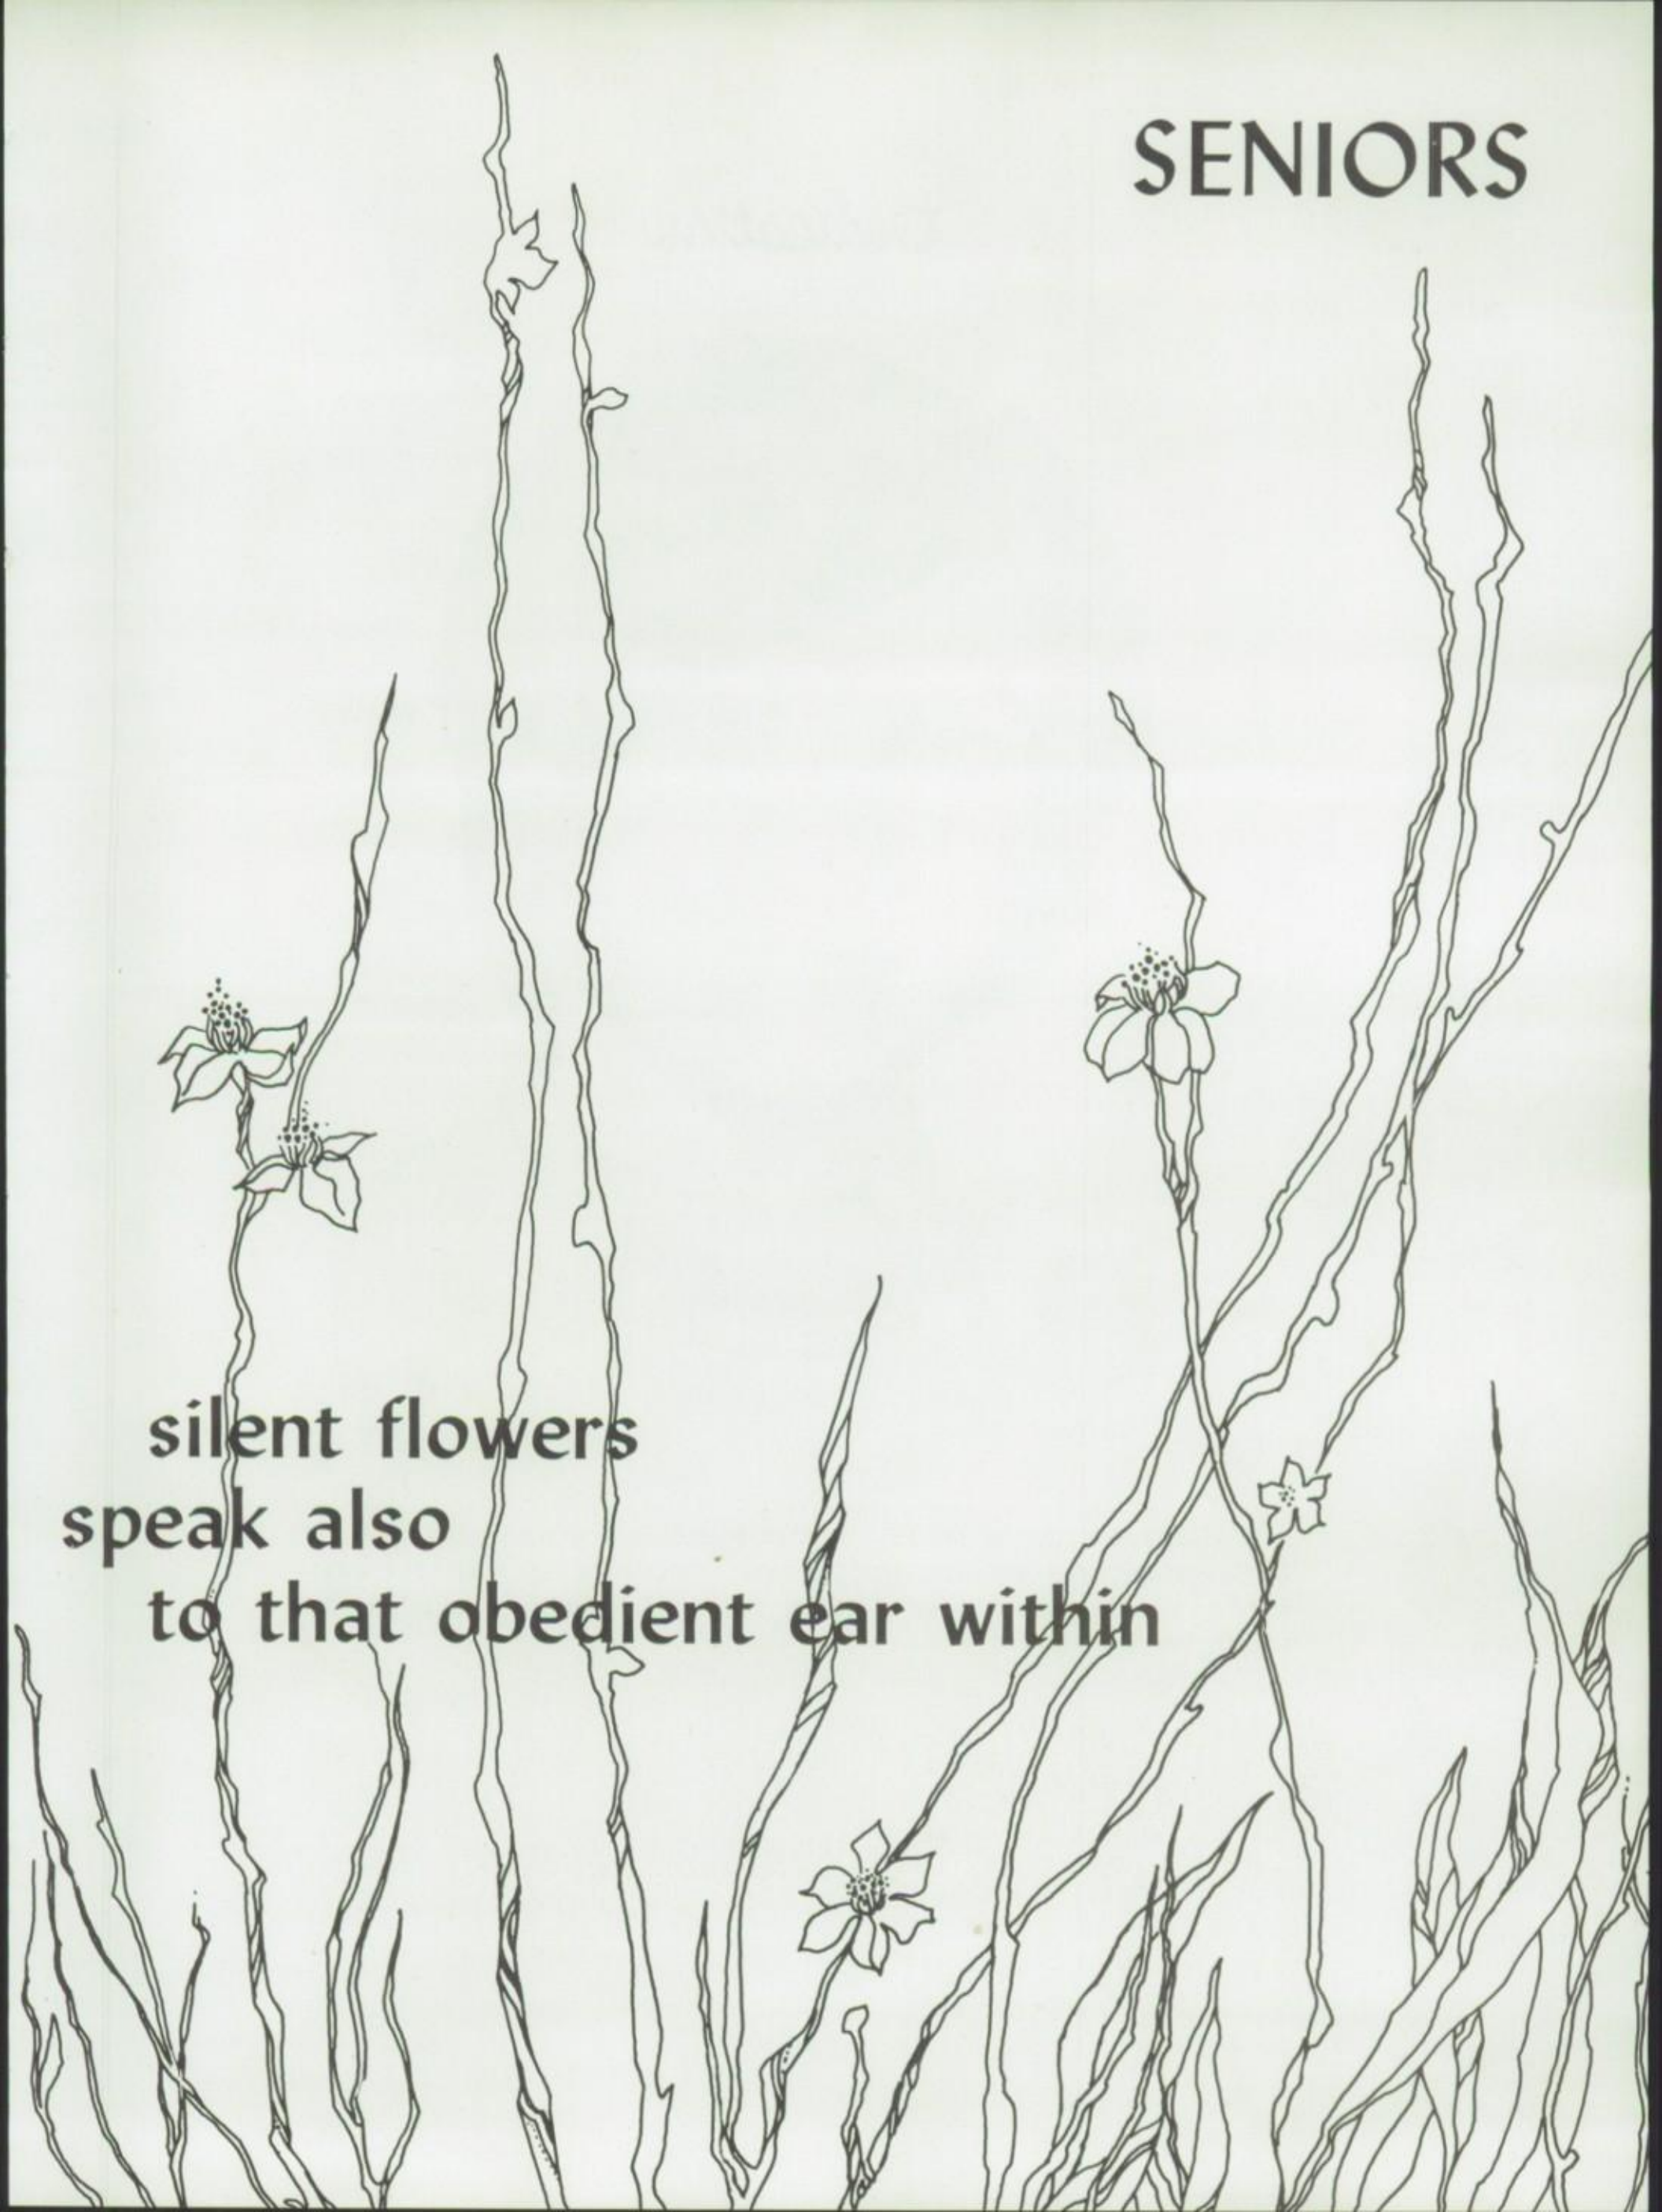

The personal growth and the friendships you have made during the past four years give added meaning to this period of your lives.

You are all individuals and because of this each one of you will travel different roads to meet your goals in life, but the bonds of a valued friendship are strong enough to span a lifetime.

Mr. John Douglass

Dedication

The Senior section of the 1972 Panther is dedicated to the memory of Vicki Marie Stevens, who was a member of the class of '72. With high spirits and understanding she contributed a lot to P.H.S. She was faithful and loyal to all. We will not forget her.

Class History

The 9th grade marked the birth of our class, immediately followed by the infantile stages in which we experienced both success and failure. We learn to contend with the rivalry between tuition and non-tuition students, eventually settling to only occasional belligerent outbursts of "hatred" and "contempt". Our Classes were a proving ground where our past education, or lack of it, was put to the test. The many terrifying and blood-curdling rumors of the legendary R. K. Horne were well-founded, but even so our basic drive for survival pulled us through.

Our Sophomore class ties were strengthened through the determinedly superior efforts of our class president--4' 11 1/2", 89lb. Erica Van Horn. This fact was further exemplified through our triumph of placing first in Carnival Week events, with Paul Perkins and Erica as Carnival King and Queen. With our militant and slightly radical biology teacher, Mr. George Hooper, we enjoyed an ecology unit with daily excursions to the "North Woods," always desperately searching for an excuse to go swimming the White's Pond.

The Junior year was one hectic, hassled, and generally "great" year in which we realized that to get what we wanted we must work. For us, this meant preparation for our Senior year, in which a little "coin" would be necessary. "Milton" Sweeney, our President, showed our attitude of "we'll try anything" when he posed as a corpse in the Fun House of our Halloween Carnival. Carnival Week proved a test for co-ed strategy effectiveness in all events, and, well. . . we placed second. Our reputation for a lot of talk, and then last-minute doing was exemplified in our Junior-Senior Dance, where our originality and ingenuity were brought forth for all to see and enjoy.

Senior year 1972! We had "lived" with each other as a class; sharing work, surviving all the experiences with which a class is usually confronted. We were given more responsibility and freedom in and out of school; not wishing to be shown up, we learned to shoulder it and grow in its ways. Our school, through involved students, came to realize more enthusiasm and spirit than we had ever previously experienced. This was shown in our involvement with the book drive, basketball pep poster, and the initiating of a Book Store by the Student Council.

We all looked forward to graduation, the class party and starting out on our own, although we also realized that in some way we would remember and miss the years at Pittsfield High School.

The prospects of Pittsfield's soccer team appeared grim when the team lost two of the first three games. The Panthers refused to be held down and lost only one other game in the regular season, finishing in third place. Unfortunately, the team was defeated in round one of tournament play, losing to Hopkinton, 2-1.

The Panthers' good standing this year, not being a power-house team, is attributed to hard work, determination, and team spirit.

The defense was great again this year, allowing just 11 goals during the regular season, while recording five shut-outs. We never allowed more than two goals in any game!

Varsity Basketball

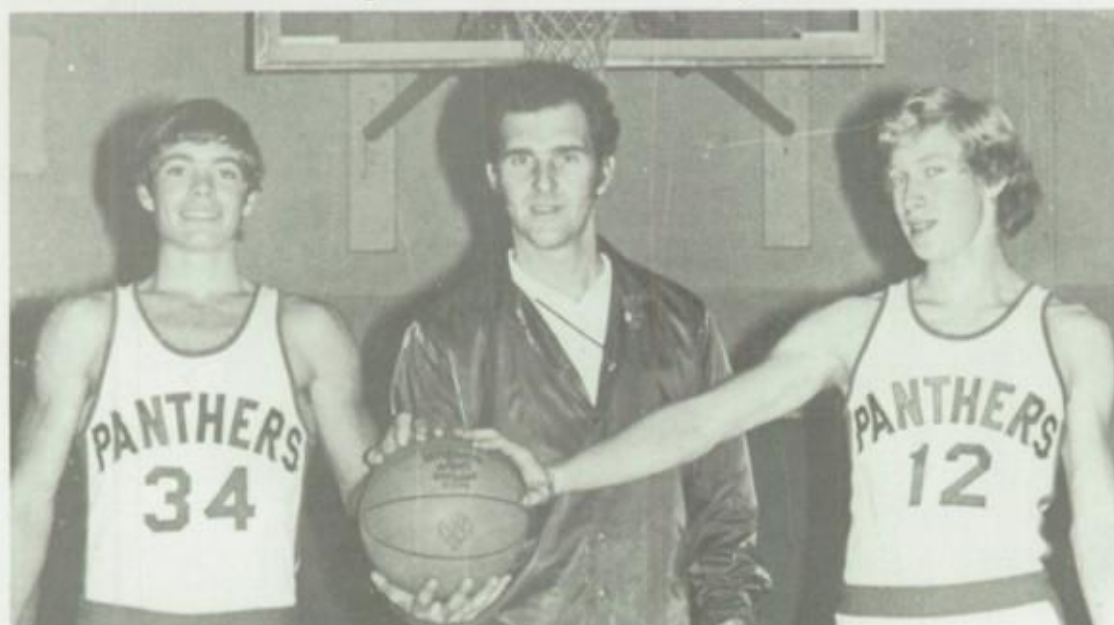

1st ROW: B. Miner, J. Robinson, S. Riel, J. Jones, C. Elliott, M. Drew, M. Watkins. MANAGERS: S. Bucknam and E. Robb, K. Keene, D. Freese, J. Elliott, G. Freese, C. Smith, J. Krause, Coach Higgins.

The Panthers had their best year ever this season. The team set the following Pittsfield records: highest placement in the final standings (5th), best won-lost record (16-4), most consecutive victories (11), and best defense (48.2 avg.) Their defense was second best in the state, with their offense 9th in class M (61.9). Individual accomplishments found the scoring dominated by junior guard, Jeff Jones. The season saw him set the single game and single quarter scoring records, with 35 points at home against Hopkinton, including 19 in the 2nd quarter. Two other high scoring Panthers were Chip Elliott with 22 at Hopkinton and Steve Riel scoring 19 against both St. Marie and in the tournament against Hinsdale. The team was eliminated in the quarter finals against Hinsdale, but they still have much to be proud of. The entire team is to be congratulated.

The Girls' Basketball team finished the season with a fine 10 win - 4 loss record. High points in the successful season were: a seven game winning streak at the beginning of the season, with the seventh being the only defeat of the year for Interlakes.

Four players scored 60 or more points leading us to a 33.5 points-per-game average, while we managed to limit the opposition to only 22 per game. With only three seniors leaving this year's team, next year should again prove to be a very successful one for the girls.

This year the P.H.S. Student Council has initiated an ambitious program. Over the past three years we have had difficulty in sustaining a treasury which would permit us to undertake new ideas. The Bookstore as a steady source of income was decided on in the spring of last year. This year we were faced with making the idea a reality. With the support of the student body and the cooperation of the administration and staff of P.H.S. we will have our bookstore.

The advent of the Bookstore will show concrete evidence of the action of the Student Council. The Council feels that it can contribute in a beneficial and positive way toward influencing the student body through the use of the Bookstore in the following manner: We will sell accessories with the school name, such as book covers, notebooks, patches, etc., to promote school spirit. We will provide for the daily scholastic and non-scholastic needs with pens, pencils, paper and seasonal needs. At the same time that the needs of the students are being fulfilled, the Council will be provided with a steady source of revenue.

Construction on the Bookstore was begun shortly before the Christmas break. Through the hard work and enthusiasm of the Student Council, P.H.S. will have something to be proud of. We would like to thank all those who contributed to make the Bookstore possible.

Fisherman's Wharf

Fisherman's Pier was the theme of the 1970-71 Junior-Senior Prom. There had been a lot of creative planning put into getting this special prom together, but as usual it was put together at the last minute. The rock group "Spice" played for our semi-formal prom, which was a great success.

FINDERS CREEPERS, this year's senior play is one of Donald Payton's best efforts. Many may well remember the success of REST ASSURED the senior play of the Class of '70. Payton has a way with plot, the knack of making believable incidents into hilariously funny situations.

Wilbur (Marc Watkins) and Hercules (John Robinson) are two typical young teenage boys who plan to spend a weekend in the not so typical Nelson Household. Aunt Mary and Uncle Bob (Brenda Lucey and Blake Miner) live in a mortuary. Daphne and Claude (Mike Drew and Sally Barnett) are right at home, after all they live there! Herc and Wilbur are scared, but hide their fear and blow their cool over Celeste and Nina, two peretty peers (Sue Gallup and Penny Rhoades). Frankie (Gail Goodnough), Celeste's 11 year old sister makes things worse - she's afraid of nothing. Granny (Linda Aloise) a delightful seventy-five year old teenager, along with Dr. Brown and Mr. Schuster, the play's real bad guy villians (Mike Gangi and Steve Fife) and a walking corpse (Paul Perkins), makes this sure fire comedy what it is - a laugh riot.

Book Drive

The first Book Drive of Pittsfield School Systems was held Saturday October 9th. The purpose of the Drive was to raise books for the Pittsfield School library.

Students operated under the leadership and guidance of the Student Council Officers and Class Officers. Students canvassed Pittsfield and surrounding communities.

Newspaper articles and leaflets were distributed throughout the schools which were included in the publicity.

Saturday dawned bright and clear and a large crowd of students met at the high school to begin the drive.

With Parents, Interested Citizens, and Upperclassmen providing transportation and support, the drive was an overwhelming success.

Over 6,000 books were received, many of which are on the way of becoming a permanent part of the library collection.

Categories of books received included: ADVENTURES, FICTION, HISTORY, ART, MUSIC, SPORTS, SCIENCE, LANGUAGE AND LITERATURE.
